

THE ROCK

The Alliston Curling Club Newsletter 2021-2022 Curling Season

President's Report

Welcome to the 2021-22 Curling Season!

It's been a tough year and a half since the world changed in mid-March 2020. We have made the tough but responsible decision to require that members must be fully vaccinated or may be accommodated (with conditions) if they cannot be. With the other best practices we have in place (similar to last year), we believe we are providing a very safe environment for all. Hopefully there is some light at the end of the tunnel, and we can look forward to as much normalcy as possible!

The curling season will officially start on Tuesday October 12. We have lots planned at the club before that though, starting with our registration events on September 10 and 11. Hopefully lots of members (new and returning) will plan to attend. Please mark the dates on your calendar.

We are in the process of hiring a bartender who will tend bar for most evening leagues, as well as for bonspiels, CurlON events and rentals. The bar for daytime and ladies' leagues will be managed by the convenors. If you or anyone you know is looking for a part-time job, please send a resume my way.

In the off-season, Dave Brackett, our new Webmaster has been busy building our new website. The website will be used to manage membership/league registrations and volunteer activities, scoring for league play, increased visibility for sponsors and much more. It is going to be an amazing communication tool for us! Check it out at www.allistoncurlingclub.com.

We are hoping to have the website ready to accept online registration as of September 5. This is a little earlier than usual, so we have a little more

time to plan the season. We are considering adding new leagues if there is membership interest. We are also wanting to revitalize volunteerism at the club and are asking members to donate a minimum of 6 hours of their time. Even with a hired bartender, bar support will continue to be an area requiring significant volunteer effort, especially for bonspiels, CurlON events, and rentals. Please check out the Volunteer section on the website for more details.

Speaking of volunteerism... Congratulations to Paul Hargreaves and Patti Russell who were recognized at the AGM for their many years of volunteer service to the ACC. Both will be issued 2021 CurlON Volunteer Awards.

A well-deserved recognition for all the work they have done for our club over the years!

Looking forward to seeing you at one of our Registration Events and back on the ice!

Registration Events

Wine & Cheese

September 10 – 7 to 9 pm

Coffee & Muffins

September 11 – 9 am to noon

While respecting clubhouse capacity limits, we are planning our traditional registration events on the above dates. You will be directed to the basement to conduct your registration business. You can then access the lounge for a bit of socializing and a chance to catch up with your fellow members.

Stop by to say hi, and if you haven't already registered online, please bring your completed registration form.

COVID-19 Management

In consultation with the ACC membership and recent government mandate, the Board of Directors has approved a COVID-19 Vaccination Policy for members for the upcoming curling season.

For the 2021/22 season, every member will be required to be "fully vaccinated" with a Health Canada approved COVID-19 vaccine (any combination of vaccines is acceptable) at least 14 days prior to October 3, 2021. Accommodation for people who cannot be vaccinated (e.g., for medical or religious reasons) will be considered, and may include mandatory masking and regularly submitting negative COVID-19 tests.

At this time, members will be required to declare their vaccination status as part of the membership registration process. We will have a table set up

specifically for checking vaccination information (photo ID and 2nd dose receipt) at our Registration Events, as well as at the Clinics and first league nights. Please bring the required information with you. Alternatively, to save time at the door, feel free to send me an email with photocopies of these documents. I will subsequently delete the email. This information will only need to be provided once, in advance of the first time you come into the club (after September 22).

Given the uncertainty around COVID-19 variants, it is our belief that vaccinations alone are not sufficient, and as such, our on-ice protocols will be similar to last season, based on CurlON Guidelines and in accordance with government requirements. Face coverings will be mandatory in the clubhouse except when seated in the lounge. They will be strongly recommended when on the ice except when sweeping or throwing, and only one active sweeper will be permitted to achieve physical distancing. To protect themselves and other members, we are expecting that most will wear their face coverings for most of the time when on the ice. If not and other members feel uncomfortable, league convenors will have the authority to mandate face coverings.

We will be allowing a little more flexibility accessing the club before and after league games, and for bonspiels, CurlON events, and rentals. In doing so, however, we will be enforcing government-imposed capacity limits in the clubhouse (basement and lounge).

In addition to the protocols, the club is equipped with sanitizing supplies, and we have a professional cleaner on contract to provide regular cleaning services. We will be continuing to ask for everyone's cooperation regarding sanitization of high-touch surfaces to help keep us all safe.

To fulfill government requirements for contact tracing, we will continue to use the CurlON app to keep track of everyone accessing the club. QR codes will be issued to members, parents/guardians of junior members, event participants, and employees. Guests will be able to sign-in to the app on arrival.

Our Covid Hotlines (705-250-0320, accovid2020@gmail.com) remain in place and these can be used to report any covid-related concerns or symptoms in accordance with your COVID Declaration.

We are committed to doing our part to keep our membership and community safe. In light of the current pandemic landscape and your feedback, we believe this is the safest and most responsible way forward. If you have any questions or concerns, please don't hesitate to contact me.

ACC Memberships

ALL MEMBERS ARE REQUIRED TO FILL OUT THEIR MEMBERSHIP FORM, COVID DECLARATION FORM AND ACC WAIVER. ONLINE REGISTRATION IS ENCOURAGED VIA OUR WEBSITE

www.allistoncurlingclub.com. However, please be patient with online registration as we work through any hiccups with the new website.

To register online, you will need a username and password. If you don't have these, please contact websiteadmin@allistoncurlingclub.com in advance to request them. You can modify your assigned password in the "Edit My Information" section under Members Home/My Information. If you are unable to register online, registration forms will be available at our Registration Events. Please note the Committee uses registration data to notify league convenors and monitor payments.

If you are coming to the Registration Events, please check in with the registration table. We will also have a table set up specifically for checking vaccination information (photo ID and 2nd dose receipt) as noted in Covid Management above.

If you would like access to a locker and/or want to attend the Novice Clinic, please make note of this when registering.

You will notice a "Volunteering" section on the membership form and a "My Volunteering Availability"

section in Members Home/My Information on the website. Every member is asked to donate at least 6 hrs. of time to help around the club. Based on your area of interest, committee chairs will be contacting you with specific requests to help out. Our club relies on volunteers/members to operate and to keep fees low. Please do your part!

We rely on new members to help keep our club financially stable. We encourage all members to help the club by inviting new members to join. Our strong point is our welcoming nature, as new members consistently comment on this. Let's continue to show support for our new and novice members.

The Club is continuing the "Shift Work Special". If you and a partner want to share a membership due to work scheduling, please notify us at the time of registration and register as one name. Also take note, if you are a shift worker, that our daytime leagues are open to all ages, so you might consider taking your own membership and curling in these leagues too.

We continue to offer a two-installment payment method (includes a \$20 surcharge). Payment Due Dates – October 18, 2021, first or full payment; Jan. 7, 2022, for the second installment. Post-dated cheques accepted. Half year fees are also available upon request.

You cannot pay online but, in addition to cash or cheque, we are now accepting payment by e-transfer or credit/debit card at the bar. Note: a 4% surcharge applies for credit card payments only. We will be accepting registration payments at our Registration Events (September 10th and 11th), or at your first curling game. Please respect the fee payment deadlines.

For registration forms and detailed rates, please visit our website: www.allistoncurlingclub.com.

TRY CURLING NOW OPEN HOUSE

October 3, 2021

10:00 am to 2:00 pm

Calling all new members! We will be hosting this CurlON sponsored open house to introduce non-curlers to our great sport and to encourage them to join as active members or ALTC only members. Please spread the word and invite your friends to attend!

We will need volunteers to provide club tours to visitors. Please contact Autumn (autumn.lundy@getinge.com) if you are available to help.

FREE Novice Clinic!

Dates: Monday Oct. 4, 2021
Tuesday Oct. 5, 2021
Thursday Oct. 7, 2021

Time: 7:00-9:00 pm.

The sessions are for new and novice curlers, and those returning to the game who might benefit from a technical review. The clinics are progressive so attendance at all sessions is highly recommended.

Please register in advance to ensure we have sufficient coaches available for you.

Adult Learn to Curl

We have introduced an ALTC membership category for those people wanting to try curling for a few weeks to see if they like it and hopefully join the club for the second half of the season. This program is also open to new and second year members for ongoing skills development. The program will run for 6 Sundays (4-6 pm) starting October 24. The clinics are free for new and novice members. A \$100 fee (deducted from second half season membership) applies for ALTC only members.

Men's League: Monday Night

Welcome to the Monday Night Men's League. A fun night of curling with a little bit of a competitive edge. The Monday night league teams are chosen by the Skips through a draft process which creates an opportunity for new and returning members to meet different curlers from other leagues. We divide the year into two halves and pick new teams for each half.

Tuesday Night Choose Your Own

As we are hopefully seeing Covid-19 in the rear-view mirror, we are all very excited to get back to curling. We are very hopeful it will be *business as usual* for curling, to every extent possible.

Tuesday Night CYO is the perfect mixture of fun and competition. Regardless of your curling experience, Tuesday night is a great time to sharpen your skills and share in some competitive fun with a group of great people. Teams can be mixed and comprised of men, women and juniors (12+).

We look forward to the return of previous Tuesday night teams and we welcome new teams. If you do not have a team but wish to join the league, please contact me ASAP and I will do my best to connect you with other curlers to form a team.

If you have any suggestions for improvements to the Tuesday night league, your input is always welcome.

I look forward to seeing you all for the 2021/2022 Tuesday night curling season!

Ladies' Leagues at ACC

We warmly welcome newcomers and returning members to our ladies' leagues and events.

If you have any questions about our ladies' programming, please contact:

Monday Day Ladies

The Monday afternoon ladies league is a great opportunity for any female wanting to curl for the love of the game; to practice for higher (curling) aspirations; or to learn the game. Teams are made up jitney style (new teams made up every week). Feel free to join us when you are able!

Once you have registered, the convenors will review the COVID-19 Monday afternoon rules of play with you.

We hope to see more out on Monday for a great way to enjoy a day!

Wednesday Night Ladies

The Wednesday Night Ladies' League is a fun evening of ladies coming together in a sisterhood of curling and fun! This is not a competitive league, but one where skilled and new curlers can play together, and both learn how to curl and/or enhance their curling skills. There are two seasons, fall and winter, and teams are selected at the beginning of each season. It is a wonderful time of camaraderie and socialization.

Ladies Bonspiel

We have set aside March 12, 2022 for our annual Ladies' Bonspiel organized and sponsored by the Wednesday Ladies. It's always a fun day! Restrictions permitting, we are hoping to run our typical Invitational Bonspiel, open to curlers from all around southern Ontario. Stay tuned for more details as the date gets closer.

Open Daytime Leagues:

Tuesday & Thursday - 12:00 pm

Tuesday and Thursday afternoons used to be just for seniors, but we live in a "new-normal" where these leagues are open to everyone! Stick curlers are always welcome!

Daytime Open curling is an ideal activity for those who do not like to drive at night or perhaps those who do shiftwork.

We use a jitney format, so there are no set teams and no requirement to play every week. Due to on-going COVID-19 restrictions, players will have to pre-register (in person, online or by phone) to fill the 32 available spots for each game time. Based on sign-up, teams will be made in advance and posted in the basement ready for your arrival. Pre-game practice is encouraged for those ready to go early.

We are hoping to return to our annual tradition of a year-end bonspiel. This will be our 24th year. More details to follow.

If fellowship and daytime curling are what you crave, please join us!

Thursday Night Choose Your Own

First, I would like to take this opportunity to thank Richard Nishikawa for the many years he served as the convenor for this league. He did a wonderful job! He expects to continue to play, but is looking forward to a break from the responsibility. Thanks Richard!

This league is designed for already established teams. Let me know if you have a team interested in having fun, fellowship, and a bit of exciting competition. BUT, if you are looking to curl and do not have a team, contact me and I will endeavor to find a spot for you.

Looking forward to seeing you on Thursday nights!

Friday Night Mixed League

Hey everyone, welcome to the 2021-22 Friday Night Mixed league. This league is a fun, non-competitive, social night of curling. Friday Nights are ideal for new curlers, so if you know anyone who wants to curl, convince them to give it a try. We're all there to have a good time and help new curlers learn the game.

Last season was an unprecedented time for the club. We'd like to thank the board, ice techs, and league convenors, for all their efforts to keep the curling season going for as long as possible. We would also like to thank the members from other leagues and juniors that came out on Friday nights to spare when we lost a few players to Covid lockdowns. You're all welcome to join us on Friday nights or sign up on the spare list.

This season we're hoping it will be curling as usual. We're looking forward to bringing back the 50/50, theme nights, and the Xmas social evening. We hope to see everyone from last season, members who elected not to curl last season, and of course some new faces. We hope to see you out to the registration events on Friday September 10th and Saturday September 11th. Also, for new curlers, the club is offering a Try Curling Now Open House planned for October 3rd and the Novice Clinic will run October 4th, 5th and 7th. These events will provide a great introduction to the club/game so you can hit the ice running on your first league night!

If you're looking for a relaxed, fun night of curling, come out on Friday nights. If you have any inquiries about the league, contact Anne or me by email below, or come out to the Open House, we will be there to answer any questions you may have.

We look forward to seeing everyone on the ice!

Junior Curling

These are challenging times! We don't want to add stress to your families' lives but maybe you can

consider curling, a low-risk extracurricular activity for your children this winter?

The ACC will be continuing to follow protocols this season that include physical distancing and sanitization of equipment with rules around play, etc., that are designed to keep everyone as safe as possible, while still enjoying the great game of curling. Also, in accordance with provincial requirements and the ACC policy, juniors (12+ years old) and their parent/guardian spectators will be required to be fully vaccinated.

With these protocols in place, Junior Learn-to-Curl will be challenging, and as such, for the fall session at least, we are not expecting to hold a program for new junior curlers.

For more mature/experienced juniors (age 12+) who are able to respect the protocols, Sunday Afternoon Juniors will provide an opportunity to play games. Adult coaches will be available to provide technical suggestions and strategy guidance. With pre-registration for attendance (online or by phone), weekly games/teams would be made up in advance and posted upon arrival so sheets and rocks can be pre-assigned.

Looking forward to some fun curling games with the juniors on Sundays!

New Events and Leagues

Additional leagues or events may be added if there is membership interest. These may include:

- Wednesday Men (Jitney)
- Friday Doubles or Triples (Open)
- Saturday Family (Once per Month, Jitney)
- Saturday Scotch Doubles (Once per Month)
- Saturday Evening Social (Once per Month, 4 or 6 ends)

Let us know if you are interested in more curling opportunities this winter!

Club Bonspiels

We are hoping to be able to run at least some of our bonspiels as “invitationals”, open to curlers from other clubs. There will also be opportunities for members to play and/or to come out to watch some good competition. Please mark your calendars with these tentative dates:

- Cash Spiel: September 23-26, 2021 (men’s, women’s, open events)
- Seniors Cash Spiel: October 23-24, 2021 (men’s & women’s)
- Men's Turkey Spiel: Saturday, December 4, 2021
- Open Skins Bonspiel: Saturday, January 22, 2022
- Mixed Bonspiel: Saturday, March 5, 2022
- Ladies Bonspiel: Saturday, March 12, 2022
- Continental Cup: Saturday, March 26, 2022
- Daytime Senior Spiel: Tuesday, March 29, 2022
- Wind-up Bonspiel: Saturday, April 9, 2022.

Check the website calendar regularly for the dates of events at the season progresses.

Advertising

We partner with businesses in our community to place their advertising signage on the walls and scoreboards of our Club. Last year we added in some in-ice designs, which were a big hit and looked great on the ice surface! Moving forward, we have decided to expand these advertising opportunities to include the doors and additional ice spaces. We have also added value to our sponsors by including their business information on our new and improved website, and social media platforms.

This advertising revenue helps support programming, offset our O&M costs, and helps to reduce our membership fees. We hope you will consider sharing these advertising opportunities with local businesses, friends, and family – we have many options available to suit a range of budgets.

We encourage all of our Members to support our sponsors’ business and to thank them when you visit. It reminds

them of the value in continually investing in us!

There is no hiding the impact the COVID-19 pandemic has had on the decreased membership and increased costs to the club. Therefore, we continue to utilize advertising methods such as The Herald, lawn signs, and signage at the club to bring awareness to the recreational opportunities at ACC. Thank you to those who allow us to place lawn signs on your high visibility properties. If anyone is willing to help us expand our reach, please let us know and we will add a sign to your property.

Advertising/Sign Prices

- In-ice Markers (2’x3’ or equivalent area): \$250 + HST
- Wall signs - East/West along sheets #1 & 4 (3’x4’): \$350 + HST
- Score board signs - North wall: \$420 + HST
- Large Door/Wall Banners (approx. 6’ x 8’): \$1000 + HST
- Full House Design: \$1000 + HST

Ice Maker's Update

It won’t be long before the ice plant is turned on and a new curling season begins. We are pleased to confirm that Bryan Brown will be returning as our Head Ice Technician with support from Scott Sinclair and Marnie Wood. We are looking forward to showing off their fantastic ice to new and returning members and visiting curlers. Jennifer Jones and her team used our ice to prepare for the Scotties and loved it! She has already requested ice time for this fall.

The ice plant will be turned on over the Labour Day weekend. This means we should have lots of time for practice and clinics before league play starts after Thanksgiving. We hope you will take advantage of the opportunity to get on the ice early this year!

We are planning to run 2 Cash Spiels this fall, with the first (open to all ages) scheduled for Sept 23rd to 26th and a Senior (50+) spiel on October 23rd and 24th. We are also 5

planning to host Masters (60+) and Mixed Doubles CurlION events. Other events will be in the website calendar.

REMEMBER...CLEAN ICE IS GOOD ICE! Check/replace your equipment (especially your grippers) at the start of the season.

Hope springs eternal. See you on the ice!!

If you have any questions or comments about the ice during the season, please reach out to us.

Curling Pro Shop

With the assistance of Dale Matchett, we are excited to be partnering with BalancePlus to provide curling supplies at the ACC. Due to space limitations, we aren't likely to have supplies on hand but will order whatever you would like, delivered within a week (more like a couple of days). We have a couple of pre-season specials that expire October 18:

Anti-slider (gripper) for \$15 with trade-in, \$20 without (taxes included).

Broom faceplate or sleeve replacement for \$5 OFF the listed price.

We will be taking orders for these items at our Registration events.

We also have a new curler package (shoes, gripper, and broom) for \$250 (taxes included). See flyer for more details.

Contact Susan Froud
(president@allistoncurlingclub.com) for information or to place an order.

Property & Maintenance

A special thank you goes out to Loeland and Janet Parliament who continue to volunteer their time maintaining the grounds around the club in the summer months. The gardens look great!

With so many projects completed in the summer of 2020, there was not a lot of activity this summer. The only

project was to insulate the north door, the same way as the west doors were done last year. The two new exterior doors installed late last year were also painted. Other regular maintenance continues on an on-going basis.

As agreed at the AGM, the roof will be re-sealed in September and will hopefully keep us dry for the next 10 years at least. The door to the compressor room will also be replaced shortly.

The professional cleaner we hired last season did a great job and will be returning for this season.

If you have any suggestions or want to offer your time to help with any projects, feel free to contact me.

Brian Birtley
brian.birtley@gmail.com

Kitchen

Due to on-going COVID-19 restrictions, we are anticipating the kitchen will remain in limited operation (prepared food service only), at least for the first part of the season. If restrictions loosen and we can change our approach, members will be notified. Thanks for your understanding.

Bar

The second most important activity at the Curling Club is the bar. Its profitability goes a long way to keeping membership fees low. We try to provide good product selection and reasonable prices. We stock at least a couple of craft beers and are open to stocking new products at the request of members. Feel free to let us know if there is something you might like that we don't stock.

Due to on-going COVID-19 restrictions, our product delivery will remain a bit different than past years to minimize multi-touch surfaces. We will be serving in plastic cups and offering small cans of wine and smaller cans of mix. We are looking forward to having a bartender on staff at the club this season to take some of the load off our volunteers. We appreciate all the help from those dedicated to ordering, restocking, and inventory management. For larger bonspiels, CurlION events and rentals,

we will still need bar helpers. Please consider signing up to help.

Loeland Parliament, Bar Manager
705-434-9233
loelandandjanetp@gmail.com

Rentals

With on-going COVID-19 restrictions, rentals will need to be limited to match our building/ice capacity. Otherwise, we are hoping to be able to open the club for rentals this season and to allow the local community the opportunity to try the great game of curling! If you are planning a life event such as a baby or wedding shower, an anniversary or if you just want to have your own family curling day, consider renting the ACC. Don't forget Members receive a discount!

Check out our rental rates on our website. To discuss or arrange a possible rental, contact:

Susan Froud
president@allistoncurlingclub.com

Volunteers

Volunteers are the backbone of our organization! We need to revitalize this approach to deliver a broad range of leagues and programs, and to keep our costs down. We are asking members to donate a minimum of 6 hours of their time to the ACC this season. Even with a bartender on staff, we will still need bar helpers for larger events at the club. There are lots of other areas where we need help too. Again, this year, we will be asking members to help with sanitizing high touch surfaces to keep us safe. Your support is appreciated!
